

# Exhibitor Information – UPDATED 20<sup>th</sup> March 2020

## Coronavirus (AKA COVID-19)

To our valued exhibitors, sponsors, entertainers and patrons.

As you are all aware, COVID-19 has begun to have a significant impact on our communities. We have been closely monitoring the situation as it evolves, and have done our utmost to respond cautiously.

**As a result of the Australian Government applying increased trading restrictions on the events industry, we regretfully inform you that Australian Events Marketing has now postponed several events.**

Current postponed events include:

- 2020 South Queensland Caravan, Camping, Fishing and 4x4 Expo
- 2020 Cairns Expo
- 2020 Mackay Expo

Australian Events Marketing is working with the event venues and local councils to look at future dates that may suit, and as soon as we have some clarity on that, we will get back to all concerned.

Our office will continue to operate during this period but on a skeleton staff. Rather than phoning our office, we recommend directing all enquiries to [reception@australianevents.com.au](mailto:reception@australianevents.com.au).

We will contact all exhibitors and concerned parties as soon as trading restrictions are to be lifted and/or when we have an alternative date for the events.

This page and website will be updated regularly with current information on all events. Please check back here for future updates.
